

Manchester Public Health Development Service

Manchester Health Information and Resources Library

NHS Manchester Library has merged with MPHDS Resource and Information Service to create a new combined service, the Manchester Health Information and Resources Library (HIRL).

Where We Are

The new service is located at:

Mauldeth House – 5th Floor

This site has the former NHS Manchester Library and the former Resource Centre South, which has moved from the Old Withington Hospital site.

Victoria Mill

This site has the former Resource Centre North, which remains unchanged.

Who can Use the Health Information and Resources Library?

The Library is open to NHS Manchester staff, students and contractors and also to health promoters who live or work in Manchester. For further details, please ask a member of staff.

Library Services

The new combined service will offer these services (subject to membership status):

Mauldeth House

Multidisciplinary collection of books and reports, enquiry service, literature search service, information skills support, current awareness, NHS ATHENS password, document supply and inter-library loans, study area, PC and internet access.

Health Promotion resources including books, teaching packs, models, DVDs, CDs, CD ROMs and equipment.

Free leaflets and posters on a range of health promotion topics.

Leaflet order forms are available on request.

Victoria Mill

Health Promotion resources including books, teaching packs, models, DVDs, CDs, CD ROMs and equipment.

Free leaflets and posters on a range of health promotion topics.

Leaflet order forms are available on request.

A literature search service and a dedicated PC with internet access are also available.

Conditions of Membership

All new Library members must complete a membership application form.

All library resources are loaned free of charge on the understanding that they will be returned by the due date.

The full procedure for overdue resources and conditions of loan are displayed in each base.
